### DALE SINESI

Dale came to Jeff's Place as a group co-Facilitator, quickly gaining the trust and respect of families and staff while forming a strong bond with Jeff's Place Founder, Jenny Kaplan Schreiber. Dale joined our Board of Directors the next year and her impact was immediate, considerable and innovative, leading members to soon elect her Board Chair. In her five years as Chair, Dale has overseen the rise of Jeff's Place reputation into a leader in the bereavement field as well as our expansion from 6 families and 9 children to serving over 500 participants from 38 towns and cities. Jeff's Place currently has 138 bereaved participants from 50 families in our programs. This is in a large part due to Dale's leadership, compassion and energy in support of Jenny's vision, and her passion for the mission of Jeff's Place.

### JEFF'S PLACE

Jeff's Place is the only independent program in MetroWest that provides comprehensive bereavement support services for both children aged 3-19 and their families. Jeff's Place mission is to lead the way in ensuring that all children, teens, and families experience a healthy grieving process in a supportive environment. 1 in 20 children will experience the loss of a parent or sibling by the age of 18. By recreating a sense of safety, focusing on their personal strengths, and teaching self-advocacy skills, our counseling provides effective ways for all family members to learn to cope with stressors and to manage symptoms associated with the loss. Our FREE grief support groups provide a safe place for members of the community to heal and integrate their loss in a healthy and meaningful way. Jeff's Place also provides individual and family counseling along with crisis intervention and professional educational trainings on childhood bereavement for local schools and organizations.
